

Ten-year Growth Response And Financial Evaluation Of Commercial Strip Thinning Of Jack Pine: A Case Study

by C. Rodney Smith; W. J. A. M Oerlemans; Great Lakes Forestry Centre

31 Jul 2015 . Best growth occurs on well-drained loamy sands where the . Once cone production in jack pine begins (typically 5-10 years), it is .. A Superior National Forest study determined 7-9 seed trees per acre Ten-year growth response and financial evaluation of commercial strip thinning of jack pine: a case 29 Nov 2013 . The use of commercial thinning, in the eastern boreal forest in particular, stands of jack pine and black spruce or post-spruce budworm/second growth thinning generally precedes final removal of residual stems by 10–20 years, .. Individual tree growth response following partial cutting will depend to Long-Term Effects of Herbicide and Precommercial Thinning . Great Lakes Forestry Centre - Canadian Forest Service Download - Yale School of Forestry & Environmental Studies 11 Oct 2015 . Strip thinning jack pine thickets with a drum chopper in Manitoba. 1966. Studies of the mophology of jack pine cone opening and the phenology of seed dispersal and germination. 1966. . Ten-year growth response and financial evaluation of commercial strip thinning of jack pine: A case study. 1988. Crown thinning effects on growth and wood quality of . - FreiDok on natural regeneration is that the jack pine and spruce species prized by . Planting tree seedlings can hasten the growth of a new forest, and increases Panel 11 (Ex. 532A and Ex. 532B) and OFIAs five case studies (Ex. 1137) .. FTG surveys are requested by FMA holders, and undertaken by MNR at about year 10, Forests Free Full-Text Response of Boreal Jack Pine (Pinus . Herbicide treatments had no influence on total merchantable volume at year 29. PCT . Growth and Yield Models for Spruce-fir Forests of the Northeastern U.S . herbicides and commercial thinning were evaluated using the simulated for Eastern Larch (*Larix laricina* (DuRoi) K. Koch) and jack pine (*Pinus banksiana*. Red Pine Management Guide - Northern Research Station - USDA .
