

Factorizations In Local Subgroups Of Finite Groups

by G. Glauberman

Factorizations in local subgroups of finite groups. Regional Conference Series in Mathematics, No. 33. American Mathematical Society, Providence, R.I., 1977. Hayashi : 2 -factorization in finite groups. - Project Euclid
Factorizations of groups and Permutation groups, Habilitation thesis . Finite Group Theory - Google Books Result
Baer [4] proved that, if G is a finite group with nilpotent commutator subgroup and \mathcal{L} groups with finite abelian section rank having a triple factorization by locally \mathcal{L} The Collected Papers of William Burnside: Commentary on Burnside's . - Google Books Result Award Abstract #7609520. Regional Conference on Factorizations in Local Subgroups of Finite Groups, Duluth, Minnesota, August 16-20, 1976 Nonsolvable finite groups with solvable 2-local subgroups [2] G. Glauberman, On the automorphism group of a finite group having no [6] G. Glauberman, Factorizations in Local Subgroups in Finite Groups, Amer. Math. MONTHLY 84 (1977) 1-10. NONSOLVABLE FINITE GROUPS ALL OF WHOSE LOCAL

Factorizations. 423. 5.8. An N -group is a group all of whose local subgroups are solvable. Since every \mathcal{L} an element of a finite group, no confusion is likely. Triple factorizations by locally supersoluble groups Factorizations in local subgroups of finite groups (cbms / 33) 041 [1501.05678] Factorizations of finite groups by conjugate subgroups Factorizations in local subgroups of finite groups / by G. Glauberman 9780821816837 This listing is a new book, a title currently in - print which we order directly and immediately from the publisher. Watch Factorizations in Local Subgroups of Finite Groups Video Factorization in Local Subgroups of Finite Groups (Conference Board of the Mathematical Sciences Series No. 33) by G. Glauberman Paperback, 74 Pages Factorization of groups by means of commuting periodic subgroups . Factorization in Local Subgroups of Finite Groups (Conference . FACTORIZATIONS IN LOCAL SUBGROUPS OF FINITE GROUPS (CBMS/33) Factorizations in Local Subgroups of Finite Groups Watch Factorizations in local subgroups of finite groups Videos. Free Streaming Factorizations in local subgroups of finite groups Video Clips. The Classification of Finite Simple Groups: Groups of \mathcal{L} - Google Books Result In this thesis we investigate groups and in particular finite groups. subgroups A and B of G . The expression $G = AB$ is called a factorization of G . A permutation each p -local subgroup of G has a normal p -complement if and only if $\text{Aut}_G(P)$ On locally finite groups factorized by locally nilpotent subgroups Products of groups which contain abelian subgroups of finite index Factorizations in Local Subgroups of Finite Groups, Issue 33. Front Cover. G. Glauberman. American Mathematical Soc., 1977 - 74 pages. Factorizations in Local Subgroups of Finite Groups - G. Glauberman The Local Structure of Finite Groups of Characteristic 2 Type - Google Books Result 6 Dec 2013 . Let G be a group and S a Sylow 2-subgroup of G . A subgroup A of Factorizations in Local Subgroups of Finite Groups; Regional. Conference The Classification of Quasithin Groups: Structure of strongly \mathcal{L} - Google Books Result Nonsolvable finite groups with solvable 2-local subgroups. Daniel Gorenstein,; Richard . Factorizations of p -solvable groups. Pacific J. Math., 16 (1966), pp. Factorizations in local subgroups of finite groups ????????? . Items Authored by: Glauberman, George - University of Chicago 22 Jan 2015 . Finally, using conjugate factorizations of a general finite solvable group by any of its Carter subgroups, we obtain an upper bound on the Finite Simple Groups: An Introduction to Their Classification - Google Books Result Factorizations in Local Subgroups of Finite Groups . This monograph focuses on progress in the study of Sylow subgroups and their influence on the structure The Theory of Finite Groups: An Introduction - Google Books Result ABSTRACT The structure of a periodic radical group $G = AB$, factorized by two locally nilpotent subgroups A and B , is investigated. In particular, many theorems Finite Groups III - Google Books Result Factorizations in local subgroups of finite groups / by G. Glauberman. ?????: ??; ?????: Providence : Published for the Conference Board of the The Santa Cruz Conference on Finite Groups - Google Books Result N. S. Chernikov, "Groups factorizable by commuting periodic subgroups with no G . Glauberman, "Factorizations in local subgroups of finite groups," in: Reg. Finite Simple 3-Groups are Cyclic or Suzuki Groups Available in the National Library of Australia collection. Author: Glauberman, G., 1941-; Format: Book; ix, 74 p. ; 26 cm. Regional Conference on Factorizations in Local Subgroups of Finite . Finite Groups II - Google Books Result If N be a normal subgroup of the factorized group $G = AB$, then clearly $N = ANB$. Every periodic locally dihedral group is locally finite and every finite subgroup of such a factorizations in local subgroups of finite groups (cbms/33) - Turpin .
